SAFETY SIGNAGE AND INFORMATION PACKS

Protect against Coronavirus

PREVENT THE SPREAD OF CORONAVIRUS

This catalogue features a range of leaflets, posters and floor graphics that can be used in the workplace, providing information and advice for managers and staff.

Branded versions, incorporating your company logo and brand colours, are available upon request. Changes to overall design, typography and illustrations/icons would require the production of custom designs, which our studio team would be happy to discuss with you.

Additional material will be added to our catalogue range, as and when updated information becomes available from official sources.
